

TREETOP SKYWALK

Welcome to Anakeesta's Treetop Skywalk. This is an exciting way to experience a bird's eye view from the trees. Please respect the trees, they are alive, and allowing you to visit their canopy. You will be walking on bridges that sway and move. You will be required to walk up and down stairs, and uneven surfaces. If you are unable to perform these tasks, then please do not walk on the bridges. After the second bridge, the Treetop Skywalk is a one way loop. The following are our rules; have fun and be safe.
