

# WELCOME TO TREEVENTURE

TreeVenture at Anakeesta is a “Play at your own risk” park. Anakeesta is not responsible for injuries that occur at the park. Parents and guardians are responsible to provide direct supervision for the safety and security of their children as well as to assess their children’s capability with regard to all play elements. There is inherent risk involved in all elements of play. Use each play element as intended. This park requires the ability and strength to pull your body weight onto an element if falling into a safety net. Surfaces will become hot when exposed to direct sunlight; use caution. Falling on hard surfaces may result in serious injury.

## RULES

- Use TreeVenture at your own risk
- Parents and guardians must provide direct supervision
- No food or drink permitted
- No bouncing, swinging, running, pushing or shoving
- No climbing, sitting or leaning over railings
